Volunteer Role

User Research Volunteer

Volunteer Manager

Digital Transformation Project Lead

Where you will be based

Home

Why we want you

Leicester city council needs your help to improve and to make sure our digital platforms work well for the people who need them.

You don't need to be good with computers or the internet to join!

What you will be doing

- Try out new online transactions
- Respond to surveys
- Talk to our researchers about how you interact with the council

The skills you need

- You don't need to be good with computers or the internet to join!

What's in it for you

- You will be helping the council to improve its online services for the people of Leicester
- You can have your say about how we interact with our residents
- You will have the chance to be the first to use new and exciting digital platforms and services
